## SCOPSERV International inc.

# ScopTEL IP PBX

### ScopTEL ISO Boot Disk Installation

 To download the most current ScopTEL installation disk (ISO Image) browse to

and download the proper ISO file according to your system CPU architecture (32 bit / 64 bit).

- Once you have downloaded the most current ScopTEL Installation disk (ISO image) you need to burn the ScopTEL installation disk (ISO Image) to a blank DVD-ROM disk.
- Make sure the server BIOS is configured to boot from the DVD-ROM device first.
- Insert the disk in the server DVD-ROM drive and allow the server to boot
